BANSHIWOOD INTERNATIONAL FILMS AND TELEVISION ASSOCIATION * BIFTA

India of your dreams

 # Apna Kala Aapne Ka Art For You * BIFTA opened the door *

This association is made only and only for the film industry, for the protection of artists working in the film industry.

Some information about the association

1.This association is bound to work in all the districts of all the active states of India but today This association, which has been working for 2 years, was only working from its headquarters Renukoot Sonbhadra in Jharkhand Bihar Chhattisgarh Uttar Pradesh, Madhya Pradesh, but is now working in the entire state. And at the same time started making teams at international level as well.

2. This association does all kinds of work in the interest of artists for the same artists who are active members of this association!

What work does this association do?

1. **This Association provides Artist Card / Director Card / Producer Card to all types of artists with complete protection!**

*** 2. This association Copyrights all content related to artists and art such as writing, playing, story, script, music, so that the artist gets the right name for his work and gets royalty throughout his life, if any copyrighted material by the artist is any If he commits theft, then he is legally obliged to suspend from the field of art for 1 year with the punishment of 3 years on the basis of evidence and the proceeds from that content to his rightful owner!**

3. Artists who have the Artist Card of the Association are given pension facility and insurance after a certain period of time!

Just like you would have seen your regional artists battling with disease alone, fighting while fighting with life and death, due to not getting any support, any artist died in this category, for this only association has been formed for the protection of artists only. Keeping in mind

4. Having your own banner registered you can refine the art through your production house as well as with the support of BIFTA.

5. You can register movie title, web series title, short movie title, album title, serial title, online or offline as well as you can check your title online by going to BIFTA website.

Note-: If you do filming or any kind of album serial without registering and if you are caught by the cyber team of the association, then you get a fine of 1 lakh rupees (challan), or 3 years in jail. Also your license will be suspended.

6. You can visit the website to be a producer, director, actor, singer, writer, or any type of artist card or registered! bifta.in

8.Registered members are given Accidental Death Insurance of 1-5 Lakhs and Medical Insurance of 1 Lakhs with a validity of 1 year.

Best of all kinds of Film Aid Album serial web series made by you at the twice-shot Film Film Festival and year-end Filmfare Awards will be given to the awards.

10. According to the rules of the association, all recording or film studios operating in the country are required to be registered with the association, otherwise, if found without registration, 10 times the legal fees are charged through the District Court.

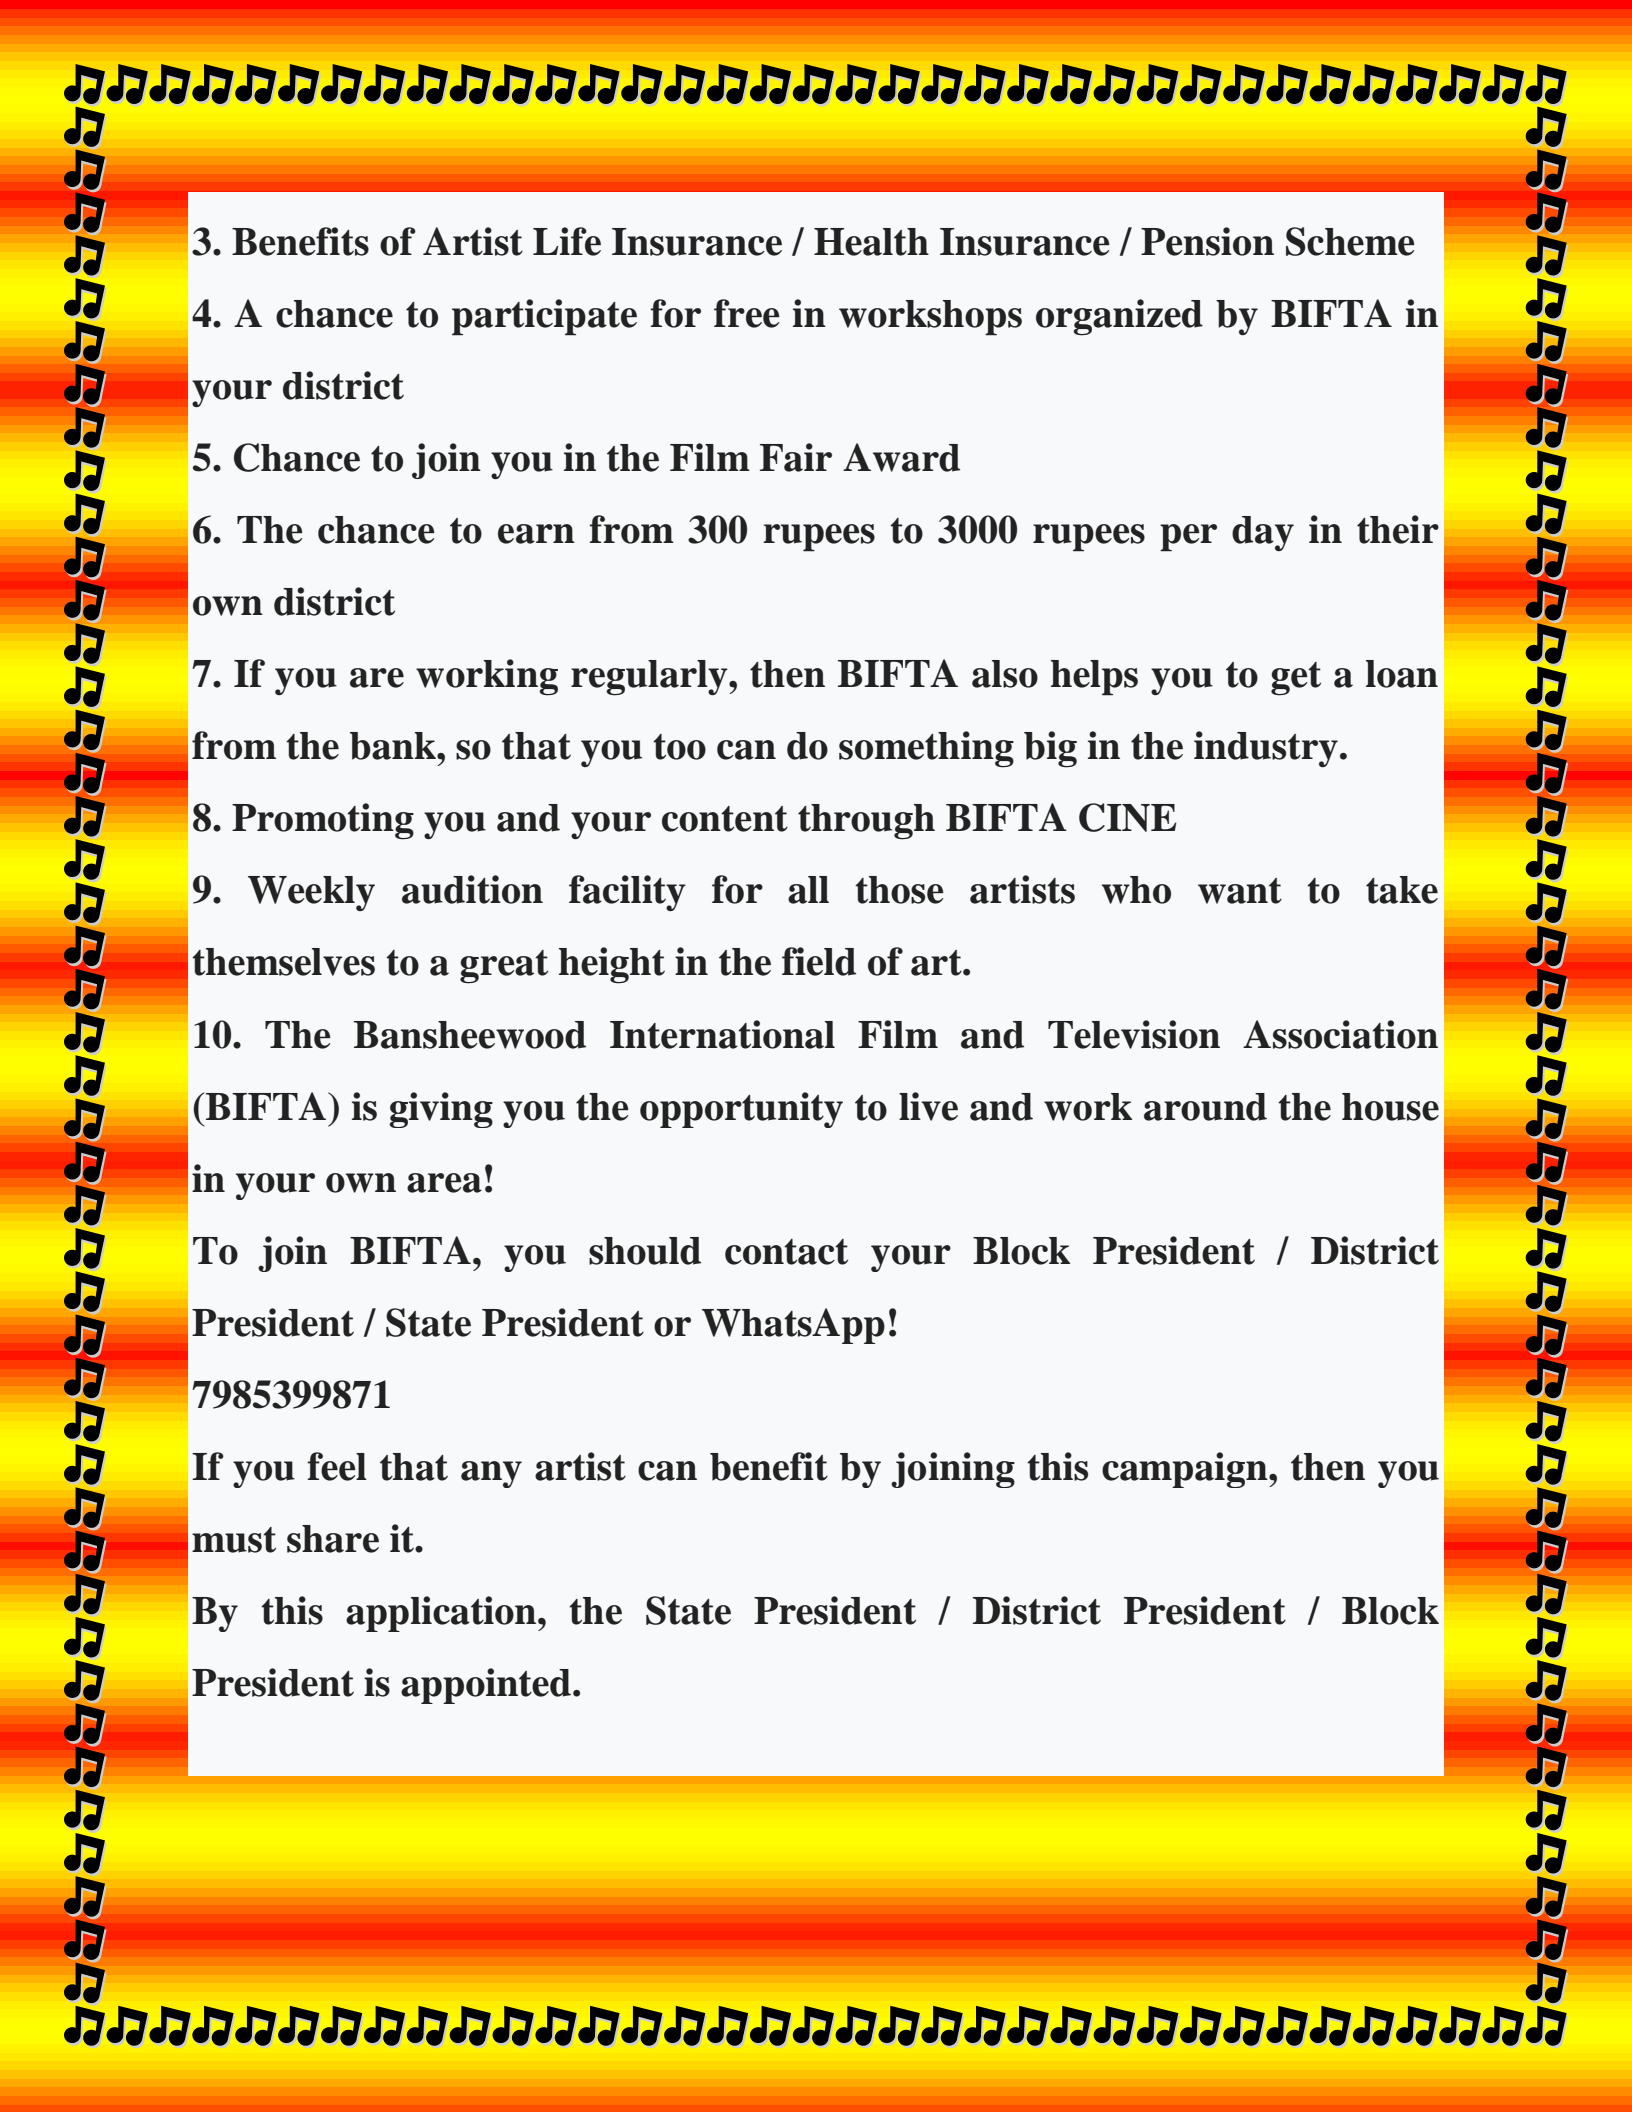
11. Many types of benefits available to all people registered with the association are available on our website.

12. Whatever the title of the film is from the Registered Association, their NOC will be easily available for the censor.

13. All types of best artists will be awarded the National Award twice a year, which will serve as a profile for them.

14. On submitting a copy of any of their properties to the musician / writer (of any kind), they are added to their copyright act by making them registered writers.

15. Any artist can register his banner and make ad album serial movie, but contact should be registered.

16. If you have registered any content with the association and any other person in that name is suiting or stealing and you make a written complaint in the association, then make that person legal under the Copyright Act as well as the association Fines of up to 3 lakhs, 3 years in jail, and 1 year may be suspended from the field of art.


17. Artist card is provided 30 to 90 days after application while producer or member card is provided within 15 days! Because BIFTA gives Artist Card / Director card only to those who deserve it ie recognition The certificate of the receiving institute has to be attached for taking the card, either through a workshop organized by BIFTA, training can be obtained by taking the certificate after getting the certificate from which 1 lakh to 5 lakh. Is insured

The advantage of not being an association member

1. You will not get any type of insurance.

2. The responsibility of your safety will be in your hands only.

3. You will not be able to participate in the film festival organized by the association nor you will be able to take any reward.

4. If you are caught somewhere while suiting then proper action will be taken.

5. You will not be able to apply for the nomination of any kind of short film short film at the film festival.

6. You will have to live with fear because the association will always follow you because this is the only work of the association.

Benefits of becoming a producer! And the way to become! What is the benefit of opening a film city under the supervision of the district president in each district of the country? Let's know.

1. If you want to open your own production house in your district block or city through BIFTA, then you should understand that the future of all the actors associated with the film industry and your district / block is going to be bright.
2. If a production house opens in your district / block, then you understand that there will be employment in thousands of artist's houses.
3. The district president is required to open a production house by becoming a producer or if for some reason he cannot open himself, he can open a production house to anyone.
4. Support provided by BIFTA will be applied only on registered content, ie if you create ad album serial web series or film, then your content should be registered otherwise 30-50% support from BIFTA is not applicable. Will be done

5. **If you are a registered producer from BIFTA then all the content produced by you will also be displayed in the International Film Fair Award to be held twice a year and you will also be a participant in the reward.**
6. **Every content you create can be displayed on BIFTA CINE (comming soon)**
7. **Half of the revenue from BIFTA CINE is given to the producer which is around 4 times the cost.**
8. **If any studios or production houses in your district are running incorrectly without registering, then you can get them legal by informing BIFTA.**
9. **The biggest advantage of becoming a producer is that BIFTA fully supports you, whose process is complete online.**
10. **You will decide the name of your own production house, the name from which the production house will open, the production house will have its own bank account.**
11. **The MSME certificate is also given to you free of charge by BIFTA, on the basis of which you will be able to participate in your production by taking NOC from BIFTA and you will not be able to take any reward.**

BIFTA guidline

Guidelines for Production House / Artist / Director

To curb such logos as many wrongly or without guidance in India, recording studios or production houses are operating. It is not the purpose of closing their studios or production houses, legalizing them is the first duty.

First of all, such unregistered institutions are given three days to go legal, otherwise on the fourth day, 10 times the legal fee is paid through the BIFTA cyber team through the District Court in compensation of which the money is Half of the money goes to the government fund and half to the BIFTA charity fund.

If any artist works without an artist card on a suiting set, then no security is provided by the production house or producer as well as he cannot be forced to take daily wages if physical damage or the artist's. Any kind of loss will not be the responsibility of the production house or the producer, if the artist has an artist card then he can get his right.]

No producer or production house can do this without registering and capturing the title, as well as the following guide line for the project to suit.

1. **Production house should be registered. Also the production house should have a current account.**
2. **2. The budget of the project to be suited should be nominated by the Registered Chartered Accountant and submitted to the office of bifta. Also, the designated budget of that project should be in the current account.**
3. **The project which is to be shot, it is mandatory for the project to have 60% new artists and 40% old artists as well as kyc of all artists should be deposited in the nearest office of BIFTA.**

4. Cannot suit without taking NOC as NOC gets only after checking all the legal facts.
5. The total work from pre production to post production should be with registered artists.
6. According to the title and according to the story the project needs to be built or else such project which messes up the society. Such projects are not provided NOC by BIFTA.
7. If any member card holder gets a written complaint in BIFTA and is found wrong after investigation, his membership is canceled for 1 year and cannot participate in any event.
8. 8. Any violation of any guideline issued by BIFTA is punishable by a legal sentence under the appropriate section made by law, which is decided by the District Court.
